

WEB HOSTING

HOST YOUR SITES WITH COST / PERFORMANCE / RELIABILITY RATIO WITHOUT EQUAL

Efficient, price-worthy, and secure, this solution encompasses all the services and guarantees necessary for the professional hosting of your web applications, the reservation of your domain name, and the daily secured maintenance. We give you access to our technological infrastructure and outstanding expertise, thus guaranteeing the most reliable hosting service.

Based on the equitable sharing of a server's capacities among several users, this service allows private customers, as well as professionals, to mutualize their web applications in order to make them accessible to all authorized users.

Whatever your requirements (presence on the internet, statistics application, e-commerce, etc) we have the perfect hosting solution for you :

WEBSTARTER

For private customers and companies who need a simple but attractive website

WEBBUSINESS

For the specialists of interactive websites with advanced functionalities (e-commerce, secure payment platforms, etc)

WEBPRO

For Internet experts who master the latest technologies

Why choose DFi Web hosting ?

Increase productivity and services :

- Permanent visibility of and accessibility to your web applications
- Rapid problem solving by the Hot Line service (included). Available on Geneva working days, Monday through Thursday from 8:00-18:00 and Friday from 8:00 to 17:00
- Speedy downloading of your data. No extra fees for increased use
- Simultaneous remote consultation of your data by several users.

Reinforce efficiency and security :

- The totality of your data guaranteed by our software and secure infrastructure (anti-spam/anti-virus filters, daily backups, etc.)
- Solution compatible with most web software
- Exploitation of your databases without overloading your IT infrastructure
- Upward compatible solution, applicable to all types and volumes of data to be hosted

Rationalize costs :

- No investment for the outsourcing of the service
- On-line order and payment process with no extra charges
- No installation fee for our basic offer
- No hidden costs
